

Vancouver Elementary School Teachers' Association

2022 November 10

Memo to: Senior Staff Representatives

Pages: 2

From: Jody Polukoshko, President

Subject: BCTF Annual General Meeting Resolutions

At the VEAES General Meeting on December 5th, members will be adopting resolutions for our delegation to take to the BCTF Annual General Meeting in the spring of 2022.

Please hold a VEAES meeting in your school to discuss this issue and gather any ideas your staff may have for resolutions to be submitted. Resolutions coming from locals may direct policy the BCTF will adopt or actions to be taken. Resolutions may deal with Health and Safety, Social Justice, or any educational issues. Refer to the *BCTF Members' Guide* at your school to see what policy presently exists on a given subject.

BCTF resolutions are usually worded beginning with the word "that"; e.g. That all-day kindergarten be available to all students in British Columbia.

Along with the proposed resolution(s), include a **supporting statement** about why you feel the resolution is necessary. Please blue bag or e-mail to Karine Ng at karine@veaes.ca the VEAES office by 5:00 p.m. on **Thursday, November 24th** and they will be brought to the December 5th General Meeting for acceptance.

It is, of course, possible to raise motions from the floor of the VEAES General Meeting.
