

BC teachers believe student success doesn't have a postal code.

School rankings are harmful to kids and communities.

The BC government has an obligation to protect student data from being used to rank schools. The Foundation Skills Assessment doesn't help students learn or teachers teach. It provides no meaningful feedback to parents and it is making existing inequities worse.

You can help. Send a letter to your MLA at bctf.ca/fsa

Parents/guardians of Grade 4 or 7 students have the right to excuse them from this test and the misuse of their data. Scan the QR code to download a withdrawal letter.
